Copy 2 of 7

23 June 1959

MEMORANDUM FOR: Chief, [] Division

25X1

SUBJECT : Information on ALQ-23

REFERENCE : (a) Memorandum from Chief, [] to BPD dated 16 June 1959

25X1

1. Reference (a) requested information to support the requisition of ALQ-23 jamming equipments for use in [] aircraft. As of this date the following information is available:

25X1

- a. Nomenclature of Equipment - AN/ALQ-23, Electronic Countermeasures Set
- b. Manufacturer - Webeor, Inc., Chicago, Illinois
- c. Cost of basic equipment - approximately \$25,000 per equipment
- d. Cost of required accessories, antennas, wave guide, load isolators - \$400 per system.
- e, h. Maintenance and training requirements - It is recommended that a maintenance representative from the [] area be sent Tby to either the cognizant Naval facility in Japan or to the ZI for a short course in maintaining the equipment. Operator training required is very slight since the system is completely automatic.
- f. Installation costs - \$12,000 including engineering costs and supplying of necessary installation kits.
- g. When equipment could be installed - Approximately four (4) weeks after arrival of first equipment at Lockheed.

25X1

25 YEAR RE-REVIEW

SECRET

The [] Division will be advised when a firm date for delivery of the equipment has been established.
